Failure to provide this required Certificate of Insurance will be basis for cancellation of this contract.

All photography/filming must be credited to Salisbury House Foundation.

- Fees and policies are subject to change at any time and may vary based upon the complexity of the photography or filming request.
- All fees are non-refundable.
- Photographer, clients, and all members of the production crew will be required to check in at the administrative office (Monday-Friday) upon arrival.
- Flash photography within the house is limited, as paintings and textiles may not be shot with flash.
- Permission to use drones must be secured 30 days in advance of your arrival as additional guidelines and requirements must be fulfilled prior to permission being granted to use such devices on Salisbury House property.
- Salisbury House is a historic house museum and should be respected as such. All furnishings, decor and artwork on exhibit are part of our museum collection; guests may not touch, sit on, move or modify any House objects, walls or structures beyond those specifically contracted as part of the rental.
- As a family attraction and an educational facility, no photos should interfere with our visitor's ability to access areas of the museum. No blocking of stairwells, exhibitions, common areas, traffic flow or other disruption is permitted if the public has access to the museum during your session. If your photo shoot affects regular museum operations or is not conducted in a professional manner, you may be asked to move or cease photography or filming.
- Areas of the house and property not in use may be roped off, blocked off, or have doors shut and lights turned out. Such areas should be considered closed. Entrance into these areas is prohibited without permission from Salisbury House staff.
- We want Salisbury House to serve as a perfect backdrop for your session, but the nature of historic homes means that there may be construction or maintenance work ongoing on certain parts of the House at the time of your reservation. Every effort will be taken to minimize impact.

- Please note that Salisbury House hosts many public and private events and there may be set up or take down taking place on certain parts of the property at the time of your reservation. Please check our online calendar and inquire in advance should you have any concerns with event set up that may impact the areas of the property available for use. We do not offer refunds due to event activity.
- Certain rooms and outdoor spaces in Salisbury House may not be accessible to guests with mobility issues; every effort to make accommodations will be made, though the historic nature of the house makes it impossible to render every space accessible.
- All plans for décor are subject to approval and are limited. Nothing may be affixed to any interior or exterior surface of the house without advance approval. No signage or banners may be placed on museum grounds. All decorative items must be fireproof.
- Smoking is prohibited indoors. Outdoor smoking may be permitted by special arrangement in designated areas at least 40 feet from any windows and doors leading into the house.
- No candles, lanterns, torches, candelabras or any other items requiring open flame are permitted within the museum or on Salisbury House property. LED or other battery-powered candles are an acceptable option, so long as they do not use halogen or other high-heat bulbs.
- With advance notice, facilities for makeup and/or wardrobe changes can be arranged for commercial photography/filming sessions. Due to the nature of the Salisbury House museum and the collections within, application of hairspray, cologne, perfumes, aerosol sprays, and make-up is allowed only in designated dressing rooms, the public restrooms located on the first floor of the museum, or by stepping outdoors.
- Contact information for any outside vendors must be provided a minimum of two weeks in advance.
- Scheduling delivery and set-up of rental items must be pre-approved by Salisbury House and are dependent on other scheduled events; drop-offs outside of contracted rental time may result in additional fees. Salisbury House assumes no responsibility for materials dropped off outside of contracted rental time.
- No glitter (including decorations with glitter).
- No fireworks of any kind (including sparklers).
- Floral arrangements and foliage used indoor must come from a professional florist or pest free nursery.
- Vases and containers holding water or other liquids and/or flowers or greenery being used indoor may only be set upon rental tables, the admissions desk, the Common Room trestle table if padded, and the Great Hall refectory table if padded.

- As Salisbury House is located in a residential area, per city zoning limits, amplified sound on the property line may not exceed 60 decibels between the hours of 7:00 am – 10:00 pm; administrative staff will check levels with sound meters and will require that sound be turned down if this threshold is exceeded. Please advise if outdoor sound limits are of concern as advance notice is required should there be a need to obtain city sound permits for this event.
- Clients, production crew, and all vendors must depart Salisbury House property by 11:00 pm.
- Please inquire if your event requires catering as Salisbury House maintains a list of approved caterers.
- Salisbury House has the right to refuse access to those who have not made advance arrangements.
- Applicant agrees to indemnify and hold harmless Salisbury House Foundation, their officers, staff, and agents from any and all claims resulting from the use of the property and grounds.
- The applicant will adhere to all museum rules whether they are posted signage or verbal instructions given by Salisbury House staff members.
- The applicant assumes full and complete responsibility for any disturbances and/or damages incurred by any and all persons in their party. Salisbury House reserves the right to ask for a damage deposit in advance of granting permission for access to the property. In any such case, any damage incurred during the course of this project shall be deducted from the damage deposit.
